

How to use the Integrated Tariff in AW.

After logging into Asycuda World, you are taken to the home screen which part of it is shown on the left below:

Figure 1: A part of the main AW window

The "**Document library**" should be automatically opened, if not click the icon \square to open it. Then go to ASYCUDA \rightarrow Integrated Tariff \rightarrow Commodity Codes \rightarrow National Tariff then right click National tariff and select "View".

The above steps will take you to the "**National Tariff**" window and by default this window always comes up blank when it is opened.

Figure 2: Exploring the Integrated Tariff

There are two ways to find a tariff code in this window:

1. The finder/ search option – Click the finder icon, *it will display a list of chapters* then click your desired chapter to get to your headings then click the heading to get to the sub

headings then **HS Code** (6 digit) and from there you can read the **HS description** do your selection on the **eighth level**.
